DISSOLVE TO:

EXT. LAKE -- AFTERNOON

(DARK JEDI DON-EL, DRENLAN, JEDI KNIGHT AND-AR DE, MIGEL, PADAWAN DRENLAN, NONE)

MIGEL

Father I can't run anymore!

(panting)

What are we going to do?

The older Powerful Jedi turns and grabs his son.

DARK JEDI DON-EL

We can not stop. The Light side are here to hunt down our order. They destroy what they can not control. I have kept you hid from this conflict as long as I could to train you.

(Looks away - something is coming)

They do not know you are here Hide and Meditate like I showed you.

MIGEL

But Father ...

DARK JEDI DON-EL

Use that fear and sorrow my son to protect yourself. Meditate completely! I will come for you in one solar day.

MIGEL

Yes Father..

Migel runs behind a rock and disappears into the rock.

MIGEL (CONT'D)

Good-bye ...

DARK JEDI DON-EL

We will meet again I just Wish I could have shown you the power of the dark side.

(anger fills the Jedi)

He runs and becomes cornered but doesn't seem to care. Almost feeding on the danger and fear to grow more powerful each passing moment. He looks and almost smiles as he sees someone in the distance.

JEDI KNIGHT AND-AR DE

I never thought I would find you again.

DARK JEDI DON-EL

No! All the Jedi that are hunting us down YOU can NOT be the one to find me ... my ...

JEDI KNIGHT AND-AR DE

Master.

DARK JEDI DON-EL

Old Master, but I found you a poor teacher. I found a better one and I'm sure you can feel my power.

JEDI KNIGHT AND-AR DE

Only your fear, I can see through you. I have also found a better student.

A Young Masked and hooded Padawan steps out behind his master.

DARK JEDI DON-EL

I can feel this pups fear. I believe I will turn him after I have struck you down.

JEDI KNIGHT AND-AR DE
 He can control his fear unlike you,
 Don-el.

Don-el step forward and throws off his choke. Extends his hands to show they are empty. Padawan Drenlan steps back.

PADAWAN DRENLAN
 (to his master)
 I have a bad ...

Cut to Don-el.

PADAWAN DRENLAN (V.O.) (CONT'D)
 Feeling about this Master.

At that moment lightning blasts from one hand at And-ar De and the other pinching at something. And-ar De ignites his lightsaber to stop the lightning but as he does young Drenlan falls holding his neck. The Lightning stops but the other hand stays extending cont. the choke.

DARK JEDI DON-EL
 Let me go and I will spare his little neck.

And-ar steps forward.

DARK JEDI DON-EL (CONT'D)
 DID you not HEAR ME.

His hand tightens and Drenlan is completely on the ground. Not even having enough strength to hold his neck

JEDI KNIGHT AND-AR DE
 Stop Don-el! Taking down the weak
 is such the easy path.

DARK JEDI DON-EL
 Simple math ...
 (stopping the force
 choke)

Holding up two fingers with the hand that was doing the choke.

DARK JEDI DON-EL (CONT'D)
 Two on one that is not very fair And-ar. You light users think you are so much better with mind tricks and work arounds to get your way. At least we are brave enough to show our true power and not hide like we are a religion... When we are the GODS.

And-ar checks Drenlan and looks surprised.

JEDI KNIGHT AND-AR DE
Is there some compassion in you Don-el? Did I truly teach you something.

DARK JEDI DON-EL
Please you fool, I do not want a Jedi Master to completely focused on me. You would think you would know a mind trick if this sort.

And-ar Gets up and ready his lightsaber as does Don-el.

JEDI KNIGHT AND-AR DE (V.O.)
He is going to distract me from him. If he gets in trouble he will attack the boy. I must get this battle away from Drenlan.

Battle begins These two are not fast or finesse. They take long powerful shots. Waiting for an open strike. Don-el starts taking defensive stances letting And-ar drive him away from Drenlan but slowly he attacks turning himself until finally he is between And-ar and Drenlan. The Two lock Beams and stair at each other.

DARK JEDI DON-EL
Well Master it seems you have done well I can hardly get an attack in.

JEDI KNIGHT AND-AR DE
Arrogant DON-EL!

The two unlock spin and regroup. At this moment Don-el smiles and And-ar realizes what he has done. Pushed Don-el over Drenlan's body.

DARK JEDI DON-EL
Thank you my OLD master.

He takes his saber and readies to strike down.

JEDI KNIGHT AND-AR DE
No!!!

And-ar jumps extending his hand and Lightsaber at Don-el. Don-el tries to finish his blow but can't. He sees And-ar on the ground using a force hold. He throws his lightsaber at Don-el but he moves the saber starts coming back.

DARK JEDI DON-EL
Die my Master!!!

Don-el trusts down into And-ar De killing him as he turns And-ar's lightsaber slashes him. This ends the battle.

DISSOLVE TO:

EXT. LAKE -- LATER
 (DRENLAN, MIGEL, PADAWAN DRENLAN)

Lays on the ground a sound of a ship fills the air waking the young Padawan.

PADAWAN DRENLAN
 Master And-ar. Master And-ar are
 you their.

He sits up and looks to find his Master and another figure a few feet from him. Smoke fills the area and you can tell he smells burn flesh as he comes over to his Master.

PADAWAN DRENLAN (CONT'D)
 You did it master. Please wake up.
 You have taken care of this evil.

Nothing. Drenlan gathers his master's things and throws the Dark Jedi's Lightsaber into a Rock. The same rock Migel is hiding. With not another word he burns his master's body and leaves to there ship. Show the Ship Leave the Planet and go into Hyper Space.

DISSOLVE TO:

EXT. LAKE ROCK -- NIGHT
 (MIGEL)

A young Migel comes out of hiding as if he just left his father's side. And comes around the rock to find his father Lightsaber broken. He picks up this once powerful weapon then drops it as he rushes over to the fire that had been set the day before.

MIGEL
 Father they crushed your lightsaber
 and burned you! No!!!
 (he starts crying)
 I must be strong and use my father's
 teachings to survive.

He Leaves for his ship with the Lightsaber, father's hood and the fire behind him.

EXT. WICHINK SHIP -- MOMENTS LATER
 (BOUNTY HUNTER, CAPTION, MIGEL)

There is another Ship and a Tent setup beside The Dark Jedi Ship. Migel slowly comes up to the tent and hears a voice.

BOUNTY HUNTER
 Sir, the other ship has been gone
 for one rotation of this planet we
 should leave.

CAPTION

I will tell you when we will leave.
This is a great find we just doubled
our bounty ships and found someone
to let us in.

BOUNTY HUNTER

What do you mean sir?

The Caption pulls and gun and fires a strange blast into the
tent. Shaking the tent and another Bounty Hunter comes up
in shock!

CAPTION

As I said. We have someone to let
us in.

The walk around the tent and find Migel stunned out cold.
They notice the broken Lightsaber.

BOUNTY HUNTER

Jedi! I'm not taking a Jedi Ship.

CAPTION

Not a Jedi Knight you banta fodder.
A learner, Padawan. Hehe and a Dark
Jedi at that.

They all stand over and look at him.

LT.SUNRUNNER

Not everyday I get to transport a new Jedi. But with the government reinstating the Jedi Order into the Republic I am happy I saw this day.

Drenlan turns showing his face

DRENLAN

I am too SUNRUNNER. Hopefully be can slow down the corruption now that we are back. This is a nice Ship.

LT.SUNRUNNER

Yea it's a friend of mine they have my ship, uh what was your name?

DRENLAN

TazBlu, but I like everyone to just call me Drenlan my first master always did so I have always kept it that way in honor of him.

LT.SUNRUNNER

Whatever, Jedi Drenlan.

DRENLAN

Drenlan would be fine.

LT.SUNRUNNER

Very good wouldn't want to make a Jedi mad ... Drenlan.

Cut to them looking out at a planet.

DRENLAN

That Bunton 12?

LT.SUNRUNNER

Yes, when I was a smuggler I came here all the time. Until the Federations and guilds help me find a legal and safer job.

DRENLAN

Now you transport Jedi? I think you just got back into the dangerous side of things.

LT.SUNRUNNER

Never was that smart when it came to staying safe.

(the pilot smile)

Sit down Drenlan we are getting ready to land

Drenlan Sits and the Ship heads toward the planet.

CUT TO:

EXT. LANDING BAY -- DAY
(DRENLAN, LT.SUNRUNNER)

DRENLAN

What do you think your doing?

LT.SUNRUNNER

I have to make sure you make it back in one piece. I don't get paid as much if you don't, Rookie.

DRENLAN

Very well, and you know this area.

LT.SUNRUNNER

Looking for a super powerful bounty hunter is not smart.

DRENLAN

Yes, but it is need, and we do what is needed until the end of the Republic.

LT.SUNRUNNER

Yea like anything's ever going to happen to the republic, ever.

CUT TO:

*

INT. THE FALLING MUSTANG ENTRANCE -- MOMENTS LATER

LT.SUNRUNNER

This is it ...

(pointing to the door)

In here you will find everyone you don't want to know, but they will know you. So let me walk in after you to give you some back up.

DRENLAN

The Falling Mustang? What a odd name?

LT.SUNRUNNER

It's what they call their women here?
 (seeing Drenlan's odd look)
 All the females of this planet have 4 feet and ...

DRENLAN

Stop ... I do not need to know.
 (mumbling)
 Mustang sounds like a transport?

CUT TO:

EXT. THE FALLING MUSTANG -- CONTINUOUS
 (BARKEEP, DRENLAN, THE DAUGHTER)

Drenlan Enters and looks around sees a few people but not many there is a young girl behind a counter. Drenlan walks up to her.

DRENLAN

Caf-so, please.

The Barkeep pulls a bottle of something and hands it to him.

THE DAUGHTER

We just started getting shipments of this and ...
 (smiling)
 Started taking republic Credits.

DRENLAN

Then we are both going to be happy.

THE DAUGHTER

I just opened. I don't get many people here this time of day unless they are hiding from their wives. I have heard new Jedi can't take wives now so ... WHY are you here?

DRENLAN

I am looking for a Bounty Hunter.

THE DAUGHTER

You are looking for a Bounty Hunter. Your braver than you look.

DRENLAN

That's right? His Name is Force Field?

THE DAUGHTER

There is a Bounty Hunter that comes
in here everyday at Zenith.

At this time several people come in the bar and walking right
behind them is LT. SUNRUNNER sitting down, putting it's feet
up and tipping it's hat. DRENLAN continues.

DRENLAN

What does he like to drink?

THE DAUGHTER

C-Leaves.

DRENLAN

Thank you, you have a good day.

The DAUGHTER smiles and starts cleaning the counter. As
Drenlan Walks away he says.

THE DAUGHTER

Thank you, please come again.

Drenlan looks at SUNRUNNER as he walks by.

DRENLAN

(mumbles)

I will, count on it.

Walking up to his Daughter.

BARKEEP

Who was that?

THE DAUGHTER

A Jedi.

BARKEEP

There's going to be trouble you stay
away from him.

She Nods.

CUT TO:

INT. LANDING BAY -- LATER

(BARKEEP, DRENLAN, LT.SUNRUNNER, THE DAUGHTER)

LT.SUNRUNNER

I don't agree with you and your plan
you will get us both killed. I won't
be a part of it.

DRENLAN

Do what you must but if you do not
follow we are both dead.

LT.SUNRUNNER

If you get killed I don't get paid.

Someone walks in it's the Barkeep. Looking around and very nervous. He slows and looks at SUNRUNNER. SUNRUNNER looks back and shakes head and goes inside the ship.

THE DAUGHTER

I thought alot about the questions you were asking. I have been having problems with the protection fees to Force Field.

DRENLAN

You have a plan?

THE DAUGHTER

Yes I do ... but keep it from my Father he don't like adventures

They begin walking away SUNRUNNER walks back down from the ship and pulls out a device and talks into it.

WIPE TO:

EXT. PATH TO MUSTANG -- DAY

(BOUNTY HUNTER, BARKEEP, BOUNTY PILOT, DRENLAN, FORCE FIELD, LT.SUNRUNNER, THE DAUGHTER)

The Planet has a Blue tent with a blue sun in the sky if any shots can show it.

The Daughter and Drenlan are walking a path next to some buildings. Drenlan stops them by grabbing the DAUGHTER and force opening a door and throwing her into the room. As Drenlan closes the door he gets hit by a force push and is knocked down and out.

The Bounty Hunter FORCE FIELD is then shown walking out beside the cabin.

FORCE FIELD

All to easy. I still have a few surprises left too.

BARKEEP

Did we get him? I don't want trouble. She didn't get hurt did she?

FORCE FIELD

No.

LT.SUNRUNNER (V.O.)

(in basic voice)

I told him.

(MORE)

SUNRUNNER walks out from behind FORCE FIELD. Reviles a seasoned commando.

LT.SUNRUNNER (CONT'D)

He dies I don't get paid by my guild.
He's worth alot.

FORCE FIELD

Don't talk to me about bounty's and
payday's.

(gets SUNRUNNER in a
force choke)

I'll take care of your fees SUNRUNNER.
You don't find out why he was looking
for me. I have never encountered a
Jedi. I'm disappointed.

Stepping out are some more bounty hunters. Mostly Alien.

BOUNTY PILOT

What should we do then, boss?

FORCE FIELD

Leave the Barkeep.

(drops the choke)

GERANG take the Jedi to our special
cabin. Don't put a scratch on him
just yet. Come with me SUNRUNNER.

LT.SUNRUNNER

Scum.

WIPE TO:

INT. CELL -- LATER

(BARKEEP, DRENLAN, FORCE FIELD, GERANG, LT.SUNRUNNER)

DRENLAN is laying on a bed his belt and cape have been
removed.

DRENLAN

Mmmmm. SUNRUNNER? Barkeep? Blast
my communicator is missing

(looks down)

My Lightsaber too.

He sits up and is about to stand when the door sides open.
FORCE FIELD Enters.

FORCE FIELD

I had a feeling you would be waking.

DRENLAN

I had a bad feeling you were going
to walk in that door. I see we were
both right.

FORCE FIELD

My ability to use the force has messed up your plan. I used the BARKEEP in a mind trick to lead you right to me and I used SUNRUNNER the way I always do.

DRENLAN

SUNRUNNER ...

FORCE FIELD

He comes in handy.

DRENLAN

He works for you!

FORCE FIELD

Come now foolish Jedi, you know how to use people? After all that is part of the reason you are here. Yes?

DRENLAN

You have been raiding Medical Ships taking children! Killing people to take their babies. Would you come if your children were taken?

FORCE FIELD

(angry)

What about the children? How do you think they feel with there parents gone?

(calmer)

Besides Jedi can't have children it is forbidden. Just like love ...

(smiles)

The door opens again and SUNRUNNER is there and takes helmet off.

LT.SUNRUNNER

Sorry.

(He looks back)

GERANG

Get in there!

GERANG is pointing a gun at SUNRUNNER, he walks in with his hands visible and sits on the other side of the bed from Drenlan.

FORCE FIELD

I knew of SUNRUNNER's and your plans for along time. His mind betrayed him.

DRENLAN

Plans?
(looks a SUNRUNNER)

LT.SUNRUNNER

You couldn't have known?

FORCE FIELD

Known that your a Senate Guard?
That you have been tracking me for a few years. Using me to get other bounty hunters, smugglers, gangsters, or whatever other information you could. Because I didn't do anything the Republic cared about until now.

DRENLAN

Is this true?

LT.SUNRUNNER

Yes. I have been working out here undercover for 7 years. But why did you keep me alive?

FORCE FIELD

I used you to help collect my greatest bounty. I was directly connected into the Republic's databases thanks to GERANG's hacking skills.

LT.SUNRUNNER

You linked into my ship!

FORCE FIELD

How else could I have known where to attack those ships to get what I want. You shall now be known as a traitor as your ship hits my next target.

SUNRUNNER gets up off the bed to attack FORCE FIELD but DRENLAN stops him just in time to as the guards raise there weapons and FORCE FIELD ignites his Purple Lightsaber.

DRENLAN

Where did you get that? You are not a Sith?

FORCE FIELD

IT was my father's and he was no Sith but a powerful Dark Jedi.

With that they all leave the room. FORCE FIELD nods and smiles at DRENLAN. He stands and turns at the door looking in as the door closes and the window starts having gas come in.

DRENLAN
Bioxide! Hold your breath!

LT.SUNRUNNER
Blast it!

The room fills up slowly with the gas. They struggle to breath SUNRUNNER falls on the ground no longer able to hold his breath. DRENLAN slowly kicks at the door and beats at it. Just as he is on his hands and knees about to pass out the door slides open. There is a lone figure standing at the door.

BARKEEP
I don't like to be controlled or my
Daughter in danger.

FADE OUT:

(BARKEEP, DRENLAN, LT.SUNRUNNER)

They come around the corner DRENLAN holding LT. SUNRUNNER up with the BARKEEP leading the way.

LT.SUNRUNNER
(coughing)
How did you find us.

BARKEEP
After they left me I went back to my
bar and saw the bounty hunters
throwing away something.
(he pulls out a
lightsaber)
This.

DRENLAN
My lightsaber!

BARKEEP
I followed them back to where you
were and waited for them to leave.

LT.SUNRUNNER
Why did you help us?

BARKEEP
I will tell you inside.

CUT TO:

INT. THE FALLING MUSTANG -- CONTINUOUS

BARKEEP

Why did I help you? I will tell you ... two reasons. I don't like being used this happens alot because of my second reason. There is nothing here on this sorry planet I really care about other than my family. My daughter is all I have left. My wonderful wife disappeared when I missed some protection payments.

LT.SUNRUNNER

Do you believe she is still alive.

BARKEEP

Many people disappear here. I can't keep making payments.

(looks down)

DAUGHTER come out.

The young lady comes out.

THE DAUGHTER

So you going to help us.

DRENLAN

Help do what?

THE DAUGHTER

Leave this planet.

BARKEEP

This is what I want to leave! To start over in the inner center living outside the republic is impossible.

THE DAUGHTER

That was mother's dream.

LT.SUNRUNNER

We have no ship the Bounty hunters took it.

BARKEEP

You can use my ship it's all I have other than this bar.

DRENLAN

Why don't you just leave in the first place? Why do you need us?

BARKEEP

We have no where to go. You can help us.

DRENLAN

GERANG

THE DAUGHTER

(nervously)

I know but I have to do something.
I have never been in space.

THE BARKEEP gets up and sits down next to his child that just sat down.

BARKEEP

Not true young lady! You did when you were five.

(nods head)

Yep that's right your mother and I were getting away from the Republic in the time of the Sith/Jedi War little did we know it was slowing down.

DRENLAN

I know us that time also the Republic was a very dangerous place.

BARKEEP

(almost upset for getting interrupted)

Well we got involved in a battle at the rim of the republic. Our ship was damaged and almost everyone on board was killed.

(saddened)

You mother was slipping when they came to help us.

THE DAUGHTER

Who?

BARKEEP

The Jedi, several ships came to our aid. Because of this they were short handed in there next battle I heard. Many Jedi died fighting short handed because they stopped to help us.

DRENLAN

What battle was this?

BARKEEP

Writer will find one on Starwars.Com

LT.SUNRUNNER

That is something I read about that battle but never understood what happened.

BARKEEP

Well they saved a few people,
including you.
(pointing)

THE DAUGHTER

Me?

BARKEEP

You were dying next to your mother.
Your mother begged the Jedi to save
you first. But she was crippled
after that day.

LT.SUNRUNNER

Your a lucky lady.
(looking at daughter)

BARKEEP

(looking down)
That is why I am here today returning
the favor. The Jedi saved my child

BARKEEP

CRISTY

LT.SUNRUNNER

CRISTY

(in comm)

DRENLAN! DRENLAN! They are leaving get out here!

Drenlan runs out of the ship.

DRENLAN

What can we do out here?

CRISTY

We can use that one.
(pointing over to
SUNRUNNER's ship)

CUT TO:

FULL SHOT SPACE -- CONTINUOUS

We see a Transport Ship being attacked by a lone ship. Starrunner's ship comes in but it is too late the transport ship is going down with Maydays toward the planet below. Starrunner's ship heads down to the planet.

WIPE TO:

FULL SHOT PLANET 2 -- CONTINUOUS
(CRISTY, DRENLAN, FORCE FIELD)

CRISTY and DRENLAN in Ship Land. DRENLAN Runs from the Ship and Cristy's first ship fires and flies by.

DRENLAN

Leave! He is here protect yourself,
I will take care of him!

The Ship is taking off leaving.

CRISTY (V.O.)

Take care of yourself. May the force be with you.

The Ship is gone. DRENLAN walks on this planet toward P.O.V. smoke. There will be P.O.V. cuts like someone is also watching him. After several shots DRENLAN stops.

FORCE FIELD

Did the Council not fully brief you on why you were coming for the baby? I guess not. The pressure of having this Savior would be horrible.

DRENLAN

Savior?

FORCE FIELD

My Poor Jedi, you must not have studied. At the height of both the Dark and Light Side we had the last great war. After the force on the Dark Side had all but faded. Nature had to be **balanced**.

DRENLAN

You mind tricks won't work on me, FORCE FIELD.

FORCE FIELD

Believe what you will. With the destruction of the Sith there is unbalance. This child is a result of this unbalance. It is the most powerful force user ever. Born to balance the force as long as he knows the dark side.

DRENLAN

This is foolishness!

FORCE FIELD

Your feelings tell me you believe me. Before you die, you will know what is to come.

CUT TO:

INT. SPACE STATION BAR -- CONTINUOUS
(BOUNTY HUNTER, BARKEEP, GERANG, LT.SUNRUNNER, THE DAUGHTER)

BARKEEP

What type of Bar is this? A Barkeeper should never be out of sight when patrons walk in.

GERANG (V.O.)

It's ok, when your dead.

(MORE)

The BARKEEP and The DAUGHTER look around. They finally notice the band not moving. A Look of horror passes the DAUGHTER's face. Hey continue to look around as they hear noises.

They finally take cover behind a table in the corner. This is a mistake as the Bounty hunters come out from different places in the bar.

GERANG (CONT'D)

Well haven't you to gotten yourselves into a mess your lucky we like to play or you would have been long dead.

BOUNTY HUNTER

I hate these type games. FORCE FIELD wouldn't approve.

GERANG

(raises gun)

HE won't care if we win. Knock the Lights out.

The BOUNTY HUNTER blasts the lights and the emergency lights come on which are red. (Tint the shots red) The Blasts from the guns will be green. The bounty hunters start walking toward the corner which are hiding still.

LT.SUNRUNNER (V.O.)

You still wanting my ship you have to earn it.

GERANG

You!

Lt. SUNRUNNER walks up the steps between The hunters and the BARKEEP's family and draws his gun to get read to shoot.

 (Shoot a few times)

BARKEEP
 Couldn't you have showed up before
 they pinned us down.
 (takes gun off
 SUNRUNNER)

A Bounty Hunter runs toward them, BARKEEP Blasts his as he
 turns the corner

BARKEEP (CONT'D)
 We are outnumbered. What does your
 training tell us to do?

LT.SUNRUNNER

 Master Don-el showed me even in death
 you can win.

FORCE FIELD
 (laughing)
 Fool! Your master didn't win he
 just slowed down what I am finishing
 today!

DRENLAN
 How do you know what my master has
 done?

FORCE FIELD
 And you thought you came to fight
 ...

CUT TO:

FULL SHOT SPACE -- MOMENTS LATER
 (BOUNTY PILOT, CRISTY)

The two ships continue to fly about. Smoke comes from Sunrunner's Ship or it could be air. Cristy's old Ship doesn't seem to be having that much trouble almost toying with Sunrunner's battered ship. Flash to Sunrunner's ship

BOUNTY PILOT (V.O.)
 I pretty one like you could be slaved
 off. I don't want to make you dust.

CRISTY (V.O.)
 (annoyed)
 I'll show you who's the master.
 I'll Set the auto-pilot and arm the
 ISO Cannon.

CUT TO:

INT. SUNRUNNER'S SHIP -- CONTINUOUS
 (CRISTY)

Cristy gets up and rounds the corner down the small corridor into an opening

CUT TO:

P.O.V. CRISTY'S SHIP -- CONTINUOUS

CUT TO:

 (looking at the BARKEEP)
 We need to get to your ship!

BARKEEP
 Well you can tell me how we are going
 to this!

LT.SUNRUNNER
 We need an opening.

THE DAUGHTER
 Hmm.

On the other side of the room GERANG and BOUNTY HUNTER come
 together behind a wall.

BOUNTY HUNTER
 We are losing men.
 (pulls out a ball)
 I have a Concussion Detonator.

GERANG
 Could be messy. I'll throw it.
 (takes detonator)

GERANG runs forward, hides close to stair.

LT.SUNRUNNER
 They have backed off a little. They
 are going to push we need to go now!
 BARKEEP put your daughter between
 us. We are leav ...

The Detonator lands beside DAUGHTER. She grabs it and throws
 it back but as she does she gets shot and falls down the
 steps.

BARKEEP
 DAUGHTER!!!

LT.SUNRUNNER
 Move!

They get up as the Detonator goes off giving brief cover for
 them to run down to get to DAUGHTER laying at the bottom.

GERANG
 There's no where they can go. I
 rigged there ship with an incinerator.
 They won't find anything.

BOUNTY HUNTER

Yes GERANG, the Station will jettison what's left.

GERANG

Move!

Everyone that's left gets up and leaves to go after our heroes.

CUT TO:

EXT. PLANET 2 -- CONTINUOUS
(DRENLAN, FORCE FIELD)

Can see both DRENLAN and FORCE FIELD standing far apart.

DRENLAN

Why are you telling me this?

FORCE FIELD

I need people to understand and I need to understand.

DRENLAN

Understand what?

FORCE FIELD

The other side, my Father & master was Don-el. And we have met before.

DRENLAN

Don-el! You were there! How?

FORCE FIELD pulls a gun and a strange clear stick.

FORCE FIELD

Can you protect yourself DRENLAN?

Out of the hand that's holding the Stick shoots a rope around DRENLAN's leg and pulls him down. Once DRENLAN gets up FORCE FIELD is out of sight.

FORCE FIELD (CONT'D)

Fear, that's not your way Jedi but it's mine. Feel the power of my side. Join me to balance to force.

DRENLAN

The only Fear is your own.
(pulling lightsaber)
You afraid that you'll end up like your father.

(MORE)

Blast come at DRENLAN, He dodges without igniting his saber.

DRENLAN (CONT'D)

Stop hiding! Here is your chance to
make one less Jedi, for your balance.

There are a few more shots come from behind DRENLAN turns
and blocks with Lightsaber and FORCE FIELD is charging.
DRENLAN swings to cut blaster but FORCE FIELD flips blaster
around were DRENLAN misses.

FORCE FIELD

Should have taken the hand and not
went for the blaster.

FORCE FIELD punches DRENLAN then kicks him back. DRENLAN
parries and strikes at FF but he blocks with this stick then
hits him with it. It seems like striking this stick hurts
or drains DRENLAN. He's in shock that his saber didn't cut
thought it.

Time to get dead.

LT.SUNRUNNER

THE DAUGHTER

Sorry Father. I never wanted to have to leave you like mother did.

BARKEEP

Shhh.

(sadness fills him)

Don't worry about me. You just tell your mother how wonderful you turned out and how much I will miss you like I miss her.

THE DAUGHTER

(having trouble)

I ... I ...

(smiles)

Stay alive.

She dies as her head falls back. SUNRUNNER lowers head but then realizes that they need to make one last stand so they don't join her.

LT.SUNRUNNER

Hey! Hey! Look at me, lets make sure you do what she asked here they come.

GUARDAN

I am GUARDAN are you friend or enemy.

DRENLAN

I am DRENLAN, Jedi Knight. I am in search of a downed ship and a child.

GUARDAN

I can sense the good in you. I am a force sensor, I am sensitive when medeloreans are grouped to make someone able to use the force. I have found one that is almost one with the force.

DRENLAN

You speak of the prophecy that will balance the force.

GUARDAN

Yes, that is why it is important to get him to the Republic.

As she gets ready to turn there is a blast and she falls.

DRENLAN

(stunned and quite)

No.

Force Field is at the door and slowly starts walking confidently at them. But DRENLAN erupts in almost anger they duel down a thin hall out of site.

Pulls comm out.

BOUNTY HUNTER (CONT'D)
 Target our bounty.

BARKEEP
